IMechE Archive 1847-1998

Institution of
**MECHANICAL
ENGINEERS**

No research can be complete without access to all possible information; owning the IMechE Archive provides comprehensive resources for a full literature review in mechanical engineering.

The IMechE Archive: 1847–1998 gives you direct access to over 200,000 pages of unique material, including technical papers, obituaries, works visits, meeting reports, technical drawings, and editorial comment, all covering some of the most influential and innovative years of engineering development.

Highly relevant content – over 15,000 articles between 1989 and 2014 cited Archive papers

Papers date back to the inception of the Institution of Mechanical Engineers and include key content from leading engineers, conferences and the Institution of Locomotive Engineers.

- ‘On the fallacies of the rotary engine’ – George Stephenson, 1894
- ‘The early history of the Whittle jet propulsion gas turbine’ – Frank Whittle, 1945
- ‘The possibilities of nuclear energy for heat and power production’ – John Douglas Cockcroft, 1947

IMechE Shallow Backfile Package

This content ownership opportunity will complete your collection of IMechE, offering articles published from 1999 to 2009. This package will include many benefits of the IMechE Archive, including access via the award-winning SJ platform and the highest quality content that is ranked in the Thomson Reuters Journal Citation Reports®.

Benefits of Subscribing

- **Easy access:** the journals are available online on the award-winning SAGE Journals platform
- **Broad coverage:** year-on-year growth of published content, including approximately 1,500 new articles annually
- **Accessibility:** 17 of the 18 titles are included in the Thomson Reuters Journal Citation Reports®, and all of them are indexed in SCOPUS
- **Timely publication process:** peer-review is fast, efficient, and overseen by our dedicated in house team, so you can be sure you're getting the most recent research as soon as possible
- **Coverage of global topics:** 80% of papers published in the IMechE Collection are from outside the UK in 2014
- **High impact research:** there have been over 55,000 citations to collection articles

 **SAGE** journals

<https://in.sagepub.com/imeche>

Journal of Power and Energy

Proceedings of the Institution of Mechanical Engineers, Part A

Editor: **C R Stone** *University of Oxford, UK*

8 issues per year | 0957-6509
<http://pia.sagepub.com>

The **Journal of Power and Energy** covers all aspects of energy conversion systems, including power generation, transmission and use. In addition to technical developments, interests include environmental, economic and policy issues.

Impact Factor: 0.689

Ranking: 99/132 in Engineering, Mechanical
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 1,977

Journal of Engineering Manufacture

Proceedings of the Institution of Mechanical Engineers, Part B

Editor: **P G Maropoulos** *Aston University, UK*

12 issues per year | 0954-4054
<http://piib.sagepub.com>

The **Journal of Engineering Manufacture** provides a focus for developments in engineering manufacture, covering technological and scientific research, developments and management implementation in manufacturing.

Impact Factor: 0.978

Ranking: 79/132 in Engineering, Mechanical | 33/42 in Engineering, Manufacturing
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 2,840

Journal of Mechanical Engineering Science

Proceedings of the Institution of Mechanical Engineers, Part C

Editor: **J W Chew** *University of Surrey, UK*

20 issues per year | 0954-4062
<http://pic.sagepub.com>

The **Journal of Mechanical Engineering Science** advances the understanding of both the fundamentals of engineering science and its application to the solution of challenges and problems in engineering.

Impact Factor: 0.730

Ranking: 96/132 in Engineering, Mechanical
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 3,071

Journal of Automobile Engineering

Proceedings of the Institution of Mechanical Engineers, Part D

Editor: **Colin Garner** *Loughborough University, UK*

14 issues per year | 0954-4070
<http://pid.sagepub.com>

The **Journal of Automobile Engineering** is the leading international journal serving the multidisciplinary automotive industry. Contributions are welcome on all aspects of vehicle engineering, including components, and on other closely related subjects.

Impact Factor: 0.802

Ranking: 91/132 in Engineering, Mechanical | 22/32 in Transportation Science & Technology
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 2,991

Journal of Process Mechanical Engineering

Proceedings of the Institution of Mechanical Engineers, Part E

Editor: **C J Backhouse** *Loughborough University, UK*

6 issues per year | 0954-4089
<http://pie.sagepub.com>

The **Journal of Process Mechanical Engineering** publishes high-quality papers covering a broad area of mechanical engineering activities associated with the design and operation of process equipment.

Impact Factor: 1.107

Ranking: 66/132 in Engineering, Mechanical
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 931

Journal of Rail and Rapid Transit

Proceedings of the Institution of Mechanical Engineers, Part F

Editor: **S D Iwnicki** *Institute of Railway Research, Huddersfield University, UK*

8 issues per year | 0954-4097
<http://pif.sagepub.com>

The **Journal of Rail and Rapid Transit** is devoted to engineering in its widest interpretation applicable to rail and rapid transit. The Journal aims to promote sharing of technical knowledge, ideas and experience between engineers and researchers working in the railway field.

Impact Factor: 0.900

Ranking: 83/132 in Engineering, Mechanical | 68/126 in Engineering, Civil | 19/32 in Transportation Science & Technology
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 1,459

Journal of Aerospace Engineering

Proceedings of the Institution of Mechanical Engineers, Part G

Editor: **Rodrigo Martinez-Val** *Universidad Politécnica Madrid, Spain*

14 issues per year | 0954-4100

<http://pig.sagepub.com>

The **Journal of Aerospace Engineering** is a forum for the communication of ideas and methods presently in use at the forefront of technology in the field of aerospace engineering. It contains papers on both theoretical and practical aspects of all types of civil and military aircraft and spacecraft and their support systems.

Impact Factor: 0.653

Ranking: 103/132 in Engineering, Mechanical | 17/30 in Engineering, Aerospace

2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 2,882

Journal of Engineering in Medicine

Proceedings of the Institution of Mechanical Engineers, Part H

Editor: **A Unsworth** *Durham University, UK*

12 issues per year | 0954-4119

<http://pih.sagepub.com>

The **Journal of Engineering in Medicine** is an interdisciplinary journal encompassing all aspects of engineering in medicine. The journal is a vital tool for maintaining an understanding of the newest techniques and research in medical engineering.

Impact Factor: 0.996

Ranking: 49/76 in Engineering, Biomedical

2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 2,737

Journal of Systems and Control Engineering

Proceedings of the Institution of Mechanical Engineers, Part I

Editor: **C R Burrows** *University of Bath, UK*

10 issues per year | 0959-6518

<http://pii.sagepub.com>

Systems and control studies provide a unifying framework for a wide range of engineering disciplines and industrial applications. The **Journal of Systems and Control Engineering** reflects this diversity by giving prominence to experimental application and industrial studies.

Impact Factor: 0.889

Ranking: 44/59 in Automation & Control Systems

2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 2,168

Journal of Engineering Tribology

Proceedings of the Institution of Mechanical Engineers, Part J

Editor: **Rob S Dwyer-Joyce** *University of Sheffield, UK*

12 issues per year | 1350-6501

<http://pij.sagepub.com>

The **Journal of Engineering Tribology** publishes high-quality papers from academia and industry worldwide on the engineering science associated with tribology and its application to machine elements. Papers may be of a fundamental nature addressing analysis and experiments or reports of design, development and service experience by practising engineers in industry.

Impact Factor: 0.907

Ranking: 82/132 in Engineering, Mechanical

2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 2,737

Journal of Multi-body Dynamics

Proceedings of the Institution of Mechanical Engineers, Part K

Editor: **H Rahnejat** *Loughborough University, UK*

4 issues per year | 1464-4193

<http://pik.sagepub.com>

The **Journal of Multi-body Dynamics** is a multi-disciplinary forum covering all aspects of mechanical design and dynamic analysis of multi-body systems. It is essential reading for academic and industrial research and development department's active in the mechanical design, monitoring and dynamic analysis of multi-body systems.

Impact Factor: 1.000

Ranking: 91/135 in Mechanics | 78/132 in Engineering, Mechanical

2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 889

Journal of Materials: Design and Applications

Proceedings of the Institution of Mechanical Engineers, Part L

Editor-in-chief: **Lucas F M da Silva** *University of Porto (FEUP), Portugal*

6 issues per year | 1464-4207

<http://pil.sagepub.com>

The **Journal of Materials: Design and Applications** is a forum for communication of both fundamental research and application areas in the field of the design and application of engineering materials, predominantly within the context of mechanical engineering applications.

Impact Factor: 0.672

Ranking: 214/271 in Materials Science, Multidisciplinary

2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 1,017

Journal of Engineering for the Maritime Environment

Proceedings of the Institution of Mechanical Engineers, Part M

Editor: **R A Sheno** *University of Southampton, UK*

4 issues per year | 1475-0902
<http://pim.sagepub.com>

The **Journal of Engineering for the Maritime Environment** is concerned with the design, production and operation of engineering artefacts for the maritime environment. The journal straddles the traditional boundaries of naval architecture, marine engineering, offshore/ocean engineering, coastal engineering and port engineering.

Impact Factor: 0.902

Ranking: 4/14 in Engineering, Marine

2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 806

Journal of Nanoengineering and Nanosystems

Proceedings of the Institution of Mechanical Engineers, Part N

Editor in Chief: **J McGeough** *Edinburgh University, UK*

4 issues per year | 1740-3499
<http://pin.sagepub.com>

The **Journal of Nanoengineering and Nanosystems** is a forum to substantiate the practical applications of nanotechnology through a rigorous description overarching fundamental bio-science, science, and engineering. It is also intended to publish the solutions to the emerging issues in sustainability, security, safety & healthcare, and energy.

Annual Institutional Rate: £ 799

Journal of Risk and Reliability

Proceedings of the Institution of Mechanical Engineers, Part O

Editor: **J D Andrews** *The University of Nottingham, UK*

6 issues per year | 1748-006X
<http://pio.sagepub.com>

The **Journal of Risk and Reliability** is for researchers and practitioners who are involved in the field of risk analysis and reliability engineering. The remit of the journal covers engineering, mathematical modelling and statistical analysis.

Impact Factor: 1.073

Ranking: 40/85 in Engineering, Multidisciplinary | 48/82 in Operations Research & Management Science | 28/44 in Engineering, Industrial

2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 923

Journal of Sports Engineering and Technology

Proceedings of the Institution of Mechanical Engineers, Part P

Editor-in-Chief: **James Sherwood** *University of Massachusetts Lowell, USA*

4 issues per year | 1754-3371
<http://pip.sagepub.com>

The **Journal of Sports Engineering and Technology** aims to provide high quality output from engineering focused research activity is presented where the objective of the work undertaken was to enhance user performance (fitness, skill, comfort, etc.), reduce incidence and severity of injury, increase participation rates, promote participation, or enhance the spectator experience.

Impact Factor: 0.456

Ranking: 111/132 in Engineering, Mechanical | 71/82 in Sport Sciences

2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 817

Proceedings of the IMechE, The Set: Parts A-P
 Package: £ 23,732

International Journal of Engine Research

Co-Editors: **C Arcoumanis, T Kamimoto** and **R Reitz**

8 issues per year | 1468-0874
<http://jer.sagepub.com>

The **International Journal of Engine Research** publishes global coverage of the latest research developments and technological advances affecting the automotive, railway and marine industries, and other areas of transportation, this Journal is essential reading for engineers in engine research and development both in academia and industry.

Impact Factor: 1.479

Ranking: 42/132 in Engineering, Mechanical | 26/58 in Thermodynamics | 16/32 in Transportation Science & Technology

2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 1,752

The Journal of Strain Analysis for Engineering Design

Editor: **Professor D Nowell** *University of Oxford, UK*

8 issues per year | 0309-3247
<http://sdj.sagepub.com>

The **Journal of Strain Analysis** is an interdisciplinary and seeks to publish innovative papers that describe analytical, experimental or numerical techniques for the measurement, analysis or interpretation of stress and strain; including the novel use of such data in understanding nature; in engineering decision-making and in the design of industrial processes, structural components, or systems.

Impact Factor: 1.450

Ranking: 73/135 in Mechanics | 56/132 in Engineering, Mechanical | 12/33 in Materials Science, Characterization & Testing

2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 1,747

IMEchE Journals Collection: £ 27,074

Adaptive Behavior

Animals, Animats, Software Agents, Robots, Adaptive Systems

Editor: **Ezequiel A Di Paolo** *University of the Basque Country, Spain*

6 issues per year | 1059-7123

<http://adb.sagepub.com>

Adaptive Behavior is the premier international journal for research on adaptive behavior in animals and autonomous artificial systems. For over 17 years it has offered ethologists, psychologists, behavioral ecologists, computer scientists, neuroscientists and robotics researchers a forum for discussing new findings and comparing insights and approaches across disciplines.

Impact Factor: 1.098

Ranking: 81/130 in Computer Science, Artificial Intelligence | 30/93 in Social Sciences, Interdisciplinary | 75/85 in Psychology, Experimental

2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 529

Clothing and Textiles Research Journal

Editor: **Elaine Pedersen** *School of Design and Human Environment, Oregon State University*

4 issues per year | 0887-302X

<http://ctr.sagepub.com>

Clothing and Textiles Research Journal strives to strengthen the research base in clothing and textiles, demonstrate the interdisciplinary nature of the field, and inspire further research.

Impact Factor: 0.600

Ranking: 102/120 in Business | 62/93 in Social Sciences, Interdisciplinary

2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: \$ 379

High Performance Polymers

Editor: **John Connell** *NASA Langley Research Center, VA, USA*

8 issues per year | 0954-0083

<http://hip.sagepub.com>

High Performance Polymers is an international peer-reviewed journal that publishes the highest quality original research in high performance polymer science and technology.

Impact Factor: 1.045

Ranking: 56/85 in Polymer Science

2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 1,007

International Journal of Damage Mechanics

Editor-in-Chief: **J W Ju** *University of California-Los Angeles, USA*

8 issues per year | 1056-7895

<http://ijd.sagepub.com>

The **International Journal of Damage Mechanics** provides an effective mechanism to accelerate dissemination of information on damage mechanics not only within the research community but also between the research laboratory and industrial design department. The journal promotes and contributes to development of the concept of damage mechanics.

Impact Factor: 1.362

Ranking: 164/271 in Materials Science, Multidisciplinary | 69/135 in Mechanics

2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 1,204

Journal of Bioactive and Compatible Polymers

Biomedical Applications

Editor: **Kathryn Uhrich** *Rutgers University, USA*

6 issues per year | 0883-9115

<http://jbc.sagepub.com>

The **Journal of Bioactive and Compatible Polymers** is a fully peer-reviewed scholarly journal that provides biomedical polymer scientists and researchers with new information on important advances in this field.

Impact Factor: 1.568

Ranking: 108/161 in Biotechnology & Applied Microbiology | 45/85 in Polymer Science | 24/33 in Materials Science, Biomaterials

2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 1,365

Journal of Biomaterials Applications

Editor: **Jonathan Knowles** *UCL, UK*

10 issues per year | 0885-3282
<http://jba.sagepub.com>

The **Journal of Biomaterials Applications** is a fully peer reviewed international journal that publishes original research and review articles that emphasize the development, manufacture and clinical applications of biomaterials.

Impact Factor: 1.988

Ranking: 34/76 in Engineering, Biomedical | 21/33 in Materials Science, Biomaterials
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 1,722

Journal of Cellular Plastics

Editor-in-Chief: **Chul B Park** *University of Toronto, Ontario, Canada*

6 issues per year | 0021-955X
<http://cel.sagepub.com>

The **Journal of Cellular Plastics** is a fully peer reviewed international journal that publishes original research and review articles covering the latest advances in foamed plastics technology.

Impact Factor: 2.057

Ranking: 29/85 in Polymer Science | 26/71 in Chemistry, Applied
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 1.082

Journal of Composite Materials

Editor-in-Chief: **H Thomas Hahn** *University of California, Los Angeles, USA*

30 issues per year | 0021-9983
<http://jcm.sagepub.com>

Consistently ranked in the top 10 of the Thomson Scientific JCR, the **Journal of Composite Materials** publishes peer reviewed, original research papers from internationally renowned composite materials specialists from industry, universities and research organizations, featuring new advances in materials, processing, design, analysis, testing, performance and applications.

Impact Factor: 1.242

Ranking: 11/25 in Materials Science, Composites
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 5,992

Journal of Elastomers & Plastics

Editor: **Heshmat A Aglan** *Tuskegee University, USA*

8 issues per year | 0095-2443
<http://jep.sagepub.com>

The **Journal of Elastomers and Plastics** is a high quality peer-reviewed journal which publishes original research on the development and marketing of elastomers and plastics and the area in between where the characteristics of both extremes are apparent.

Impact Factor: 0.671

Ranking: 227/271 in Materials Science, Multidisciplinary | 69/85 in Polymer Science
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 1,347

Journal of Fire Sciences

Editor in Chief: **Alexander B Morgan** *University of Dayton Research Institute, USA*

6 issues per year | 0734-9041
<http://jfs.sagepub.com>

The **Journal of Fire Sciences** is a leading, peer-reviewed international journal for the reporting of new and significant applied research within the fire safety science community. Its overall content is generally aimed toward the prevention and mitigation of the adverse effects of fires involving combustible materials.

Impact Factor: 0.758

Ranking: 218/271 in Materials Science, Multidisciplinary | 54/85 in Engineering, Multidisciplinary

2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 1,365

Journal of Industrial Textiles

Editor-in-Chief: **Dong Zhang** *Textile Research Associates, USA*

6 issues per year | 1528-0837
<http://jit.sagepub.com>

The **Journal of Industrial Textiles** is the only journal devoted exclusively to technology, processing, methodology, modeling and applications in technical textiles, nonwovens, coated and laminated fabrics, and textile composites.

Impact Factor: 1.120

Ranking: 7/23 in Materials Science, Textiles
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 1,252

Journal of Intelligent Material Systems and Structures

Editor-in-Chief: **Daniel J Inman** *University of Michigan, USA*

20 issues per year | 1045-389X
<http://jim.sagepub.com>

The **Journal of Intelligent Materials Systems and Structures** is an international peer-reviewed journal that publishes the highest quality original research reporting the results of experimental or theoretical work on any aspect of intelligent materials systems and/or structures research also called smart structure, smart materials, active materials, adaptive structures and adaptive materials.

Impact Factor: 1.975

Ranking: 105/271 in Materials Science, Multidisciplinary
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 2,632

Journal of Plastic Film & Sheeting

Editor-in-Chief: **John R Wagner** *Crescent Associates, Inc., Rochester, NY, USA*

4 issues per year | 8756-0879
<http://jpf.sagepub.com>

The **Journal of Plastic Film & Sheeting** improves communication concerning plastic film and sheeting with major emphasis on the propagation of knowledge which will serve to advance the science and technology of these products and thus better serve industry and the ultimate consumer. It reports on the wide variety of advances that are rapidly taking place in the technology of plastic film and sheeting.

Impact Factor: 0.850

Ranking: 13/18 in Materials Science, Coatings & Films
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 899

Journal of Reinforced Plastics and Composites

Editor-in-Chief: **G Springer** *Stanford University, USA*

24 issues per year | 0731-6844
<http://jrp.sagepub.com>

The **Journal of Reinforced Plastics and Composites** publishes original research on a broad range of today's reinforced plastics and composites, including areas in: constituent materials, properties and performance, analysis and design, processing and fabrication, application. In addition, reports on special topics are regularly included such as recycling, environmental effects, novel materials, computer-aided design, predictive modelling, and "smart" composite materials.

Impact Factor: 0.901

Ranking: 61/85 in Polymer Science | 17/25 in Materials Science, Composites
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 5,962

Journal of Sandwich Structures & Materials

Editor: **Jack R Vinson** *University of Delaware, USA*

6 issues per year | 1099-6362
<http://jsm.sagepub.com>

The **Journal of Sandwich Structures & Materials** provides a means of communication to fellow engineers and scientists by providing an archival record of developments in the science, technology, and professional practices of sandwich construction throughout the world.

Impact Factor: 2.852

Ranking: 11/132 in Engineering, Mechanical | 2/33 in Materials Science, Characterization & Testing | 6/25 in Materials Science, Composites
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 978

Journal of Thermoplastic Composite Materials

Editor: **John W Gillespie Jr.** *University of Delaware, USA*

12 issues per year | 0892-7057
<http://jtc.sagepub.com>

The **Journal of Thermoplastic Composite Materials** is a fully peer reviewed international journal that publishes original research and review articles on polymers, nanocomposites, and particulate-, discontinuous-, and continuous-fiber-reinforced materials in the areas of processing, materials science, mechanics, durability, design, non-destructive evaluation, additive manufacturing and manufacturing science.

Impact Factor: 0.922

Ranking: 16/25 in Materials Science, Composites
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 1,769

Textile Research Journal

Editor-in-Chief: **Dong Zhang** *Textile Research Associates, USA*

<http://trj.sagepub.com>
 20 issues per year | 0040-5175

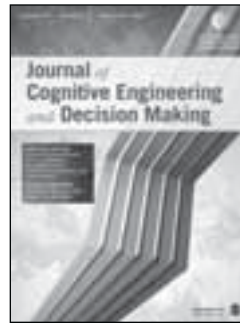

Textile Research Journal is the leading peer reviewed journal for textile research. It is devoted to the dissemination of fundamental, theoretical and applied scientific knowledge in materials, chemistry, manufacture and system sciences related to fibres, fibrous assemblies and textiles.

Impact Factor: 1.299

Ranking: 3/23 in Materials Science, Textiles
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 1,770

International Journal of Mechanical Engineering Education

Editor-in-Chief: **Bin Wang** *Brunel University, UK*

4 issues per year | 0306-4190
<http://ijj.sagepub.com>

The **International Journal of Mechanical Engineering Education** is aimed at teachers and trainers of mechanical engineering students in higher education and focuses on the discussion of the principles and practices of training professional, technical and mechanical engineers and those in related fields.

Annual Institutional Rate: £ 607

International Journal of Electrical Engineering Education

Editor-in-Chief: **Geoff Rubner** *University of Manchester, UK*

4 issues per year | 0020-7209
<http://ije.sagepub.com>

The **International Journal of Electrical Engineering Education** provides a showcase for international developments in the undergraduate teaching of electrical engineering and electronics, from power systems to nanotechnology.

Impact Factor: 0.302

Ranking: 238/255 in Engineering, Electrical & Electronic
 38/40 in Education, Scientific Disciplines
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 607

Human Factors

The Journal of the Human Factors and Ergonomics Society

Editor: **Patricia R DeLucia** *Texas Tech University, USA*

8 Issues per year | 0018-7208
<http://hfs.sagepub.com>

Human Factors: The Journal of the Human Factors and Ergonomics Society (HF) is a peer-reviewed journal presenting original works of scientific merit that contribute to the understanding and advancement of the systematic consideration of people in relation to machines, systems, tools, and environments.

Impact Factor: 1.370

Ranking: 38/79 in Psychology, Applied | 53/76 in Psychology | 44/51 in Behavioral Sciences | 24/44 in Engineering, Industrial | 6/16 in Ergonomics
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: \$ 950

Ergonomics in Design

The Quarterly of Human Factors Applications

Editor: **Stephen B Wilcox** *Design Science*

4 issues per year | 1064-8046
<http://erg.sagepub.com>

Ergonomics in Design is intended to serve the needs of practicing human factors/ergonomics professionals who are concerned with the usability of products, systems, tools, and environments. It provides up-to-date demonstrations of the importance of HF/E principles in design and implementation.

Annual Institutional Rate: \$ 202

Journal of Cognitive Engineering and Decision Making

Editor: **Amy Pritchett** *Georgia Institute of Technology, USA*

4 issues per year | 1555-3434
<http://edm.sagepub.com>

Journal of Cognitive Engineering and Decision Making (JCEM) features research on human cognition and the application of this knowledge to the design and development of system interfaces, automation, aids and other support systems, training programs, personnel selection devices, and coordination environments for people who work in teams or groups.

Annual Institutional Rate: \$ 652

Concurrent Engineering

Research and Applications

Editor-in-Chief: **Biren Prasad** *Institute of Concurrent Engineering, Tustin, USA*

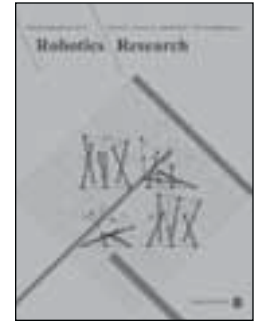

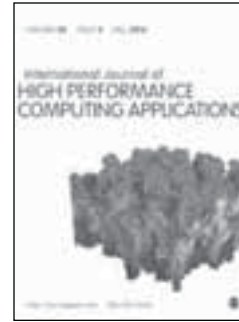

4 issues per year | 1063-293X
<http://cer.sagepub.com>

Concurrent Engineering provides design, engineering and manufacturing professionals with quality articles on all aspects of CE. Computer-aided concurrent engineering enables faster to-market product development (e.g. Japanese fast-to-market concepts), reduced design and manufacturing costs, competitively superior products, longer product service life, and improved return on product investment.

Impact Factor: 1.020

Ranking: 79/104 in Computer Science, Interdisciplinary Applications | 50/82 in Operations Research & Management Science | 32/42 in Engineering, Manufacturing
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 987

Two Journals Package!

Sold in combination with Lighting Research & Technology!

Building Services Engineering Research and Technology

An International Journal

Chairman: **Simon Rees** *University of Leeds, UK*

6 issues per year | 0143-6244
<http://bse.sagepub.com>

Building Services Engineering Research & Technology is one of the foremost, international peer-reviewed journals that publishes the highest quality original research relevant to today's Built Environment.

Published in conjunction with CIBSE, this impressive journal reports on the latest research, providing you with an invaluable guide to recent developments in the field.

Impact Factor: 0.575

Ranking: 46/61 in Construction & Building Technology
2016 Release of Journal Citation Reports (2015 Web of Science Data)

Lighting Research & Technology

Chairman: **David Carter** *University of Liverpool, UK*

8 issues per year | 1477-1535
<http://lrt.sagepub.com>

Lighting Research & Technology is the leading international peer reviewed journal that publishes the highest quality original research on the subject of light and lighting.

Impact Factor: 1.667

Ranking: 42/90 in Optics | 18/61 in Construction & Building Technology
2016 Release of Journal Citation Reports (2015 Web of Science Data)

14 issues per year

Combined Annual Institutional Rate: £ 767

Journal of Building Physics

Formerly known as Journal of Thermal Envelope and Building Science

Editor: **Mark Bomberg** *McMaster U, Hamilton, ON, Canada and Southeast U, Nanjing China*

6 issues per year | 1744-2591
<http://jbn.sagepub.com>

The **Journal of Building Physics** is an international, peer-reviewed journal that publishes a high quality research and state of the art "integrated" papers to promote scientifically thorough advancement of all the areas of non-structural performance of a building and particularly in heat, air, moisture transfer.

Impact Factor: 1.000

Ranking: 30/61 in Construction & Building Technology
2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 1,249

Journal of Vibration and Control

Editor-in-Chief: **Mehdi Ahmadian** *Virginia Polytechnic Institute and State University, USA*

20 issues per year | 1077-5463
<http://jvc.sagepub.com>

The **Journal of Vibration and Control** is a peer-reviewed journal of analytical, computational and experimental studies of vibration phenomena and their control. The scope of the journal encompasses all linear and nonlinear vibration phenomena.

Impact Factor: 1.643

Ranking: 53/135 in Mechanics | 39/132 in Engineering, Mechanical
 10/32 in Acoustics
2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 2,301

The International Journal of High Performance Computing Applications

Editors-in-Chief: **Jack J Dongarra** *University of Tennessee, Knoxville, USA* and **Bronis R De Supinski** *Lawrence Livermore National Laboratory, USA*

4 issues per year | 1094-3420
<http://hpc.sagepub.com>

The **International Journal of High Performance Computing Applications** provides a lively forum for the communications of original peer reviewed research papers and timely review articles on the use of supercomputers to solve complex modeling problems in a spectrum of disciplines.

Impact Factor: 1.081

Ranking: 48/105 in Computer Science, Theory & Methods | 74/104 in Computer Science, Interdisciplinary Applications | 25/51 in Computer Science, Hardware & Architecture
2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 961

The International Journal of Robotics Research

Editor: **John M Hollerbach** *University of Utah, USA*

Editor-in-Chief: **Michael W. Blades** *The University of British Columbia, Canada*

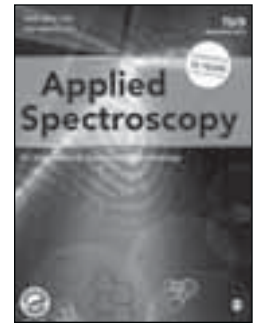

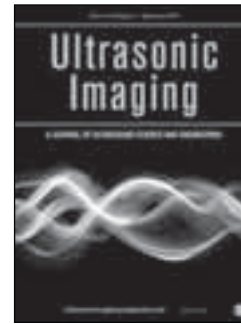

14 issues per year | 0278-3649
<http://ijr.sagepub.com>

Consistently ranked in the top 4 of the Thomson Scientific JCR, **International Journal of Robotics Research** publishes peer reviewed, scholarly articles that provides engineers, researchers, and scientists with the very best of current research on robotics research - from applied mathematics to artificial intelligence to computer science, to electrical and mechanical engineering.

Impact Factor: 2.489

Ranking: 4/25 in Robotics
2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 1,673

Mathematics and Mechanics of Solids

Editor-in-Chief: **David J Steigmann** *University of California, USA*

10 issues per year | 1081-2865
<http://mms.sagepub.com>

Mathematics and Mechanics of Solids is an international peer reviewed journal that publishes the highest quality original innovative research in solid mechanics and materials science. The central aim of MMS is to publish original, well-written and self-contained research that elucidates the mechanical behaviour of solids with particular emphasis on mathematical principles.

Impact Factor: 1.836

Ranking: 111/271 in Materials Science, Multidisciplinary | 42/135 in Mechanics | 25/101 in Mathematics, Interdisciplinary Applications
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 1,983

Two Journals Package!

Sold in combination with Journal of Defense Modeling & Simulation

SIMULATION

Transactions of the Society for Modeling and Simulation International

Editor-in-Chief: **Mikel D Petty** *University of Alabama Huntsville, USA*

12 issues per year | 0037-5497
<http://sim.sagepub.com>

Simulation is a fully peer reviewed international journal that publishes original research and review articles devoted to theory and applications, all with clear relevance to general modeling and simulation issues.

Impact Factor: 0.640

Ranking: 77/106 in Computer Science, Software Engineering | 93/104 in Computer Science, Interdisciplinary Applications
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

JDMS: The Journal of Defense Modeling & Simulation

Applications, Methodology, Technology

Editor-in-Chief: **Jerry M Couretas** *USA*

4 issues per year | 1548-5129
<http://dms.sagepub.com>

JDMS: The Journal of Defense Modeling and Simulation is a quarterly refereed archival journal devoted to advancing the practice, science, and art of modeling and simulation as it relates to the military and defense. The primary focus of the journal is to document, in a rigorous manner, technical lessons derived from practical experience.

16 issues per year

Combined Annual Institutional Rate: £ 884

Structural Health Monitoring

An International Journal

Editor-in-Chief: **Fu-Kuo Chang** *Stanford University, USA*

6 issues per year | 1475-9217
<http://shm.sagepub.com>

Structural Health Monitoring is an international peer reviewed journal that publishes the highest quality original research that contain theoretical, analytical, and experimental investigations that advance the body of knowledge and its application in the discipline of structural health monitoring.

Impact Factor: 3.193

Ranking: 6/85 in Engineering, Multidisciplinary | 4/56 in Instruments & Instrumentation
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 844

Ultrasonic Imaging

Editor-in-Chief: **Ernest J Feleppa** *Frederic L. Lizzi Center for Biomedical Engineering, Riverside Research*

4 issues per year | 0161-7346
<http://uix.sagepub.com>

Ultrasonic Imaging provides rapid publication for original and exceptional papers concerned with the development and application of ultrasonic techniques, with emphasis on medical diagnosis

Impact Factor: 2.111

Ranking: 52/124 in Radiology, Nuclear Medicine & Medical Imaging | 30/76 in Engineering, Biomedical | 6/32 in Acoustics
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: \$ 734

Applied Spectroscopy

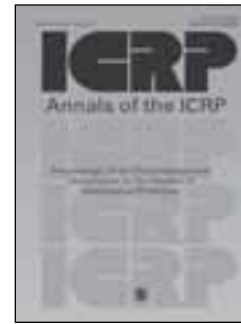

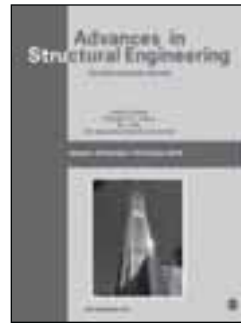

20 issues per year | 0003-7028
<http://asp.sagepub.com>

Applied Spectroscopy is an international peer reviewed journal for the publication of original research and review articles covering all aspects of spectroscopy. The journal seeks to be comprehensive in scope, with its primary aim the publication of papers on both the fundamentals and applications of photon-based spectroscopy.

Impact Factor: 1.798

Ranking: 20/56 in Instruments & Instrumentation | 21/43 in Spectroscopy
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 776

Two Journals Package!

Measurement and Control

Editor: **R Summers** *University of Loughborough, UK*

10 issues per year | 0020-2940
<http://mac.sagepub.com>

Measurement + Control publishes both practical and technical research and news pieces from both the science and engineering industry and academia. Whilst focusing more broadly on topics of relevance for practitioners in instrumentation and control, the journal also includes updates on both product and business announcements and information on technical advances.

Annual Institutional Rate: £ 518

Transactions of the Institute of Measurement and Control

Editors: **John Gray** *University of Manchester, UK*, **Frank L Lewis** *University of Texas at Arlington, USA* and **Steve Thompson** *Consultant, previously with Queen's University of Belfast, UK*

12 issues per year | 0142-3312
<http://tim.sagepub.com>

Transactions of the Institute of Measurement and Control is a fully peer-reviewed international journal. The journal covers all areas of applications in instrumentation and control. Its scope encompasses cutting-edge research and development, education and industrial applications.

Impact Factor: 0.820

Ranking: 45/59 in Automation & Control Systems | 41/56 in Instruments & Instrumentation

2016 Release of Journal Citation Reports (2015 Web of Science Data)

Package product of Transactions of the Institute of Measurement and Control, with Measurement + Control, a print only journal published by Institute of Measurement and Control

18 issues per year

Annual Institutional Rate: £ 1,107

Advances in Structural Engineering

Editors-in-Chief: **Jin-Guang Teng** and **Dr. Yong Xia** both at *The Hong Kong Polytechnic University, China*

12 issues per year | 1369-4332
<http://ase.sagepub.com/>

Advances in Structural Engineering is a peer-reviewed journal that aims to provide a major publication channel for cutting-edge research on civil engineering structures (e.g. bridges, buildings and offshore platforms) in areas of significant current interest to the international structural engineering community.

Impact Factor: 0.577

Ranking: 95/126 in Engineering, Civil | 45/61 in Construction & Building Technology
2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 1,135

Annals of the ICRP

Scientific Secretary: **Christopher Clement** *International Commission on Radiological Protection*

0146-6453
<http://ani.sagepub.com/>

Annals of the ICRP is a periodical that provides recommendations and guidance on protection against the risks associated with ionising radiation, from artificial sources as widely used in medicine, general industry and nuclear enterprises, and from naturally occurring sources.

Annual Institutional Rate: £ 617

Applied Biosafety

Journal of ABSA International

Editor: **Barbara Johnson** *Biosafety Biosecurity International, Herndon, VA, USA* and **Karen B. Byers** *Dana-Farber Cancer Institute, Boston, MA, USA*

4 issues per year | 1535-6760
<http://apb.sagepub.com/>

Applied Biosafety: Journal of ABSA International is a peer-reviewed, scientific journal committed to promoting global biosafety awareness and best practices to prevent occupational exposures and adverse environmental impacts related to biohazardous releases.

Annual Institutional Rate: \$ 285

Building Acoustics

Editor-in-Chief: **Densil Cabrera** *University of Sydney, Australia*

4 issues per year | 1351-010X
<http://bua.sagepub.com/>

Building Acoustics is a quarterly peer-reviewed journal concerned with acoustics in the built environment. It therefore lies within the domain of the architect, builder and engineer. It is also a forum for scientists and engineers concerned with research and development for acoustic enhancement and noise control in buildings.

Annual Institutional Rate: £ 460

NOW AT
SAGE!

European Journal of Mass Spectrometry

Editor-in-Chief: **Peter Derrick** *The University of Auckland, New Zealand*

6 issues per year | 1469-0667

European Journal of Mass Spectrometry is a peer review journal covering all areas of mass spectrometry. Whilst "European" in its publishing base, its distribution, editors and authors are truly global.

Annual Institutional Rate: £ 750

NOW AT
SAGE!

Information Visualization

Editor-in-Chief: **Chaomei Chen** *Drexel University, USA*

4 issues per year | 1473-8716
<http://ivi.sagepub.com/>

Information Visualization is essential reading for researchers and practitioners of information visualization and is of interest to computer scientists and data analysts working on related specialisms. This journal is an international, peer-reviewed journal publishing articles on fundamental research and applications of information visualization.

Impact Factor: 0.639

Ranking: 78/106 in Computer Science, Software Engineering
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 883

International Journal of Aeroacoustics

Editor: **Ganesh Raman** *Illinois Institute of Technology, USA*

8 issues per year | 1475-472X
<http://jae.sagepub.com/>

International Journal of Aeroacoustics is a peer-reviewed journal publishing developments in all areas of fundamental and applied aeroacoustics. Fundamental topics include advances in understanding aeroacoustics phenomena; applied topics include all aspects of civil and military aircraft, automobile and high speed train aeroacoustics, and the impact of acoustics on structures.

Impact Factor: 0.414

Ranking: 123/135 in Mechanics | 29/32 in Acoustics
 25/30 in Engineering, Aerospace
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 905

International Journal of Architectural Computing

Editor-in-Chief: **Andre Brown** *University of Liverpool, UK*

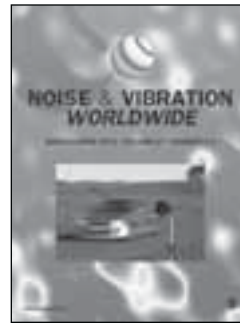

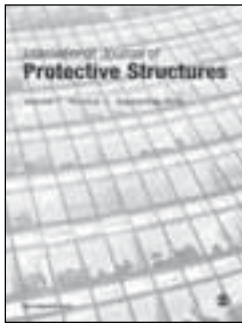

4 issues per year | 1478-0771
<http://jac.sagepub.com/>

International Journal of Architectural Computing is committed to deepening the understanding of the foundations of digital systems for architectural design and the technologies enabling their development and application.

Annual Institutional Rate: £ 499

International Journal of Protective Structures

Editor-in-Chief: **Hong Hao** *Curtin University, Australia*

4 issues per year | 2041-4196
<http://prs.sagepub.com/>

International Journal of Protective Structures is a peer-reviewed journal publishing high quality research papers related to civil infrastructure protection against natural or man-made shock and impact loads, including but not limited to blast loads from terrorist actions or accidental gas explosions, vehicle impact on road and bridge infrastructure, ship impact on bridge structures, impact between adjacent structures during earthquake shakings, and drop weight effects.

Annual Institutional Rate: £ 445

Journal for the History of Astronomy

Editor: **James Evans** *University of Puget Sound, USA*

0021-8286
<http://jha.sagepub.com/>

Journal for the History of Astronomy was founded in 1970 and is the only journal devoted to the history of astronomy from earliest times to the present, and to history in the service of astronomy. Its subject matter extends to such allied fields as the history of the relevant branches of mathematics and physics, and the use of historical records in the service of astronomy.

Impact Factor: 0.182

Ranking: 55/60 in History & Philosophy Of Science (SCI)
 2016 Release of Journal Citation Reports (2015 Web of Science Data)

Annual Institutional Rate: £ 318

Journal of Educational Technology Systems

Editor: **Thomas T Liao and Lori L Scarlatos**
 both at *State University of New York at Stony Brook*

4 issues per year | 0021-8286
<http://jha.sagepub.com/>

The Journal of Educational Technology Systems deals with systems in which technology and education interface and is designed to inform educators who are interested in making optimum use of technology.

Annual Institutional Rate: \$ 586

NOW AT
SAGE!

Journal of Near Infrared Spectroscopy

Editor-in-Chief: **Graeme Batten** *Sea Spec Pty Ltd, Australia*

6 issues per year | 0967-0335

Journal of Near Infrared Spectroscopy is a peer review journal which aims to publish original research papers, short communications, review articles and letters concerned with near infrared (NIR) spectroscopy and technology, its application, new instrumentation and the use of chemometric and data handling techniques within NIR.

Annual Institutional Rate: £ 570

NOW AT
SAGE!

Noise & Vibration Worldwide

Editor: **Ganesh Raman** *Illinois Institute of Technology, USA*

11 issues per year | 0957-4565
<http://nvw.sagepub.com/>

Noise & Vibration Worldwide is a peer-reviewed journal, covering the effects of noise and vibration on individuals at work, the effects of vibration on machines and buildings, the impact of industrially-generated noise on the community, hearing protection, audiology, and audiometry.

Annual Institutional Rate: £ 582

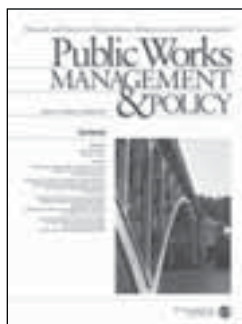

Proceedings of the Human Factors and Ergonomics Society Annual Meeting

Online only!

1 issue per year | 1541-9312
<http://pro.sagepub.com/>

Each year, the Human Factors and Ergonomics Society publishes the papers and abstracts from presentations at the Annual Meeting. The 400-plus papers in each year's volume of the **Proceedings of the Human Factors and Ergonomics Society Annual Meeting** reflect the diversity of subject matter in the human factors/ergonomics field.

Annual Institutional Rate: \$ 343

Public Works Management & Policy

Research and Practice in Infrastructure, Technology, and the Environment

4 issues per year | 1087-724X
<http://pwm.sagepub.com/>

Public Works Management & Policy addresses the planning, financing, development, and operations of civil infrastructure systems at all levels of society—from federal policy to the demand for, and delivery of, state and local public works services.

Annual Institutional Rate: \$ 1,012

International Journal of Space Structures

Editors-in-Chief: **Sigrad Adriaenssens** *Princeton University, USA* and **Olivier Baverel** *Ecole des Ponts ParisTech, France*

4 issues per year | 0266-3511
<http://sps.sagepub.com/>

International Journal of Space Structures is a peer-reviewed journal, with the aim to provide an international forum for the interchange of information on all aspects of analysis, design and construction of space structures.

Annual Institutional Rate: £ 554

Wind Engineering

Editor-in-Chief: **Jon McGowan** *University of Massachusetts, USA*

6 issues per year | 0309-524X
<http://wie.sagepub.com/>

Wind Engineering is a peer-reviewed journal with papers published on: the aerodynamics of rotors and blades; machine subsystems and components; design; test programmes; power generation and transmission; measuring and recording techniques; installations and applications; and economic, environmental and legal aspects.

Annual Institutional Rate: £ 747

Energy Exploration & Exploitation

Editor: **Yuzhuang Sun** *Hebei University of Engineering, China*

6 issues per year | 0144-5987
<http://eea.sagepub.com/>

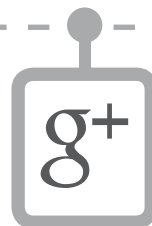

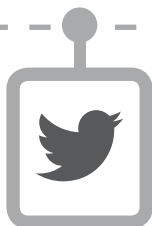

Energy Exploration & Exploitation is a peer-reviewed journal that provides up-to-date, informative reviews and original articles on important issues in the exploration, exploitation, use and economics of the world's energy resources.

Impact Factor: 1.094

Ranking: 61/88 in Energy & Fuels

2016 Release of Journal Citation Reports (2015 Web of Science Data)

Connect with SAGE!

Adsorption Science & Technology

Honorary Editor: **K S W Sing** formerly of Brunel University, UK

10 issues per year | 0263-6174
<http://adt.sagepub.com/>

Adsorption Science & Technology is a peer-reviewed journal devoted to studies of adsorption and desorption phenomena, which publishes original research papers and critical review articles, with occasional special issues relating to particular topics and symposia.

Journal of Low Frequency Noise, Vibration and Active Control

Editor-in-Chief: **M Osman Tokhi** University of Sheffield, UK

Journal of Low Frequency Noise, Vibration & Active Control brings together material on:

- sources of infrasound and low frequency noise and vibration: detection, measurement and analysis;
- propagation of infrasound and low frequency noise in the atmosphere;
- propagation of vibration in the ground and in structures;
- perception of infrasound, low frequency noise and vibration by man and animals;
- effects on man and animals;
- interaction of low frequency noise and vibration: vibrations caused by noise, radiation of noise from vibrating structures;
- low frequency noise and vibration control: problems and solutions.

Impact Factor: 0.778

Ranking: 23/32 in Acoustics

2016 Release of Journal Citation Reports (2015 Web of Science Data)

International Journal of Spray and Combustion Dynamics

Editor-in-Chief: **Prof. Wolfgang Polifke** TU Munich, Germany

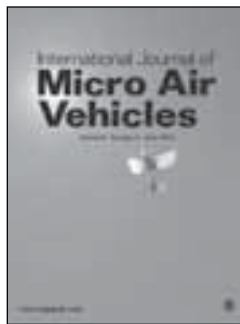

1756-8277
<http://scd.sagepub.com/>

International Journal of Spray and Combustion Dynamics is a peer-reviewed open access journal on fundamental and applied research in combustion and spray dynamics.

Impact Factor: 0.767

Ranking: 92/132 in Engineering, Mechanical | 46/58 in Thermodynamics

2016 Release of Journal Citation Reports (2015 Web of Science Data)

International Journal of Micro Air Vehicles

Editor-in-Chief: **Mark Reeder** Air Force Institute of Technology, USA

1756-8293
<http://mav.sagepub.com/>

The role of the **International Journal of Micro Air Vehicles** is to provide the scientific and engineering community with a peer-reviewed open access journal dedicated to publishing high-quality technical articles summarizing both fundamental and applied research in the area of micro air vehicles.

Impact Factor: 0.343

Ranking: 26/30 in Engineering, Aerospace

2016 Release of Journal Citation Reports (2015 Web of Science Data)

Journal of Algorithms and Computational Technology

Editor: **Prof. C. H. Lai**, University of Greenwich, London, UK

1748-3018
<http://act.sagepub.com/>

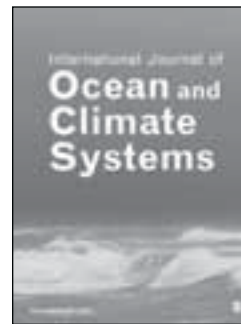

Journal of Algorithms & Computational Technology is a peer-reviewed open access journal for an interdisciplinary community who employs mathematical methods, numerical methods, and computational technology in the development of engineering solutions and/or computational analysis to address a broad range of industrial problems arising from finance, economics, science, and traditional engineering.

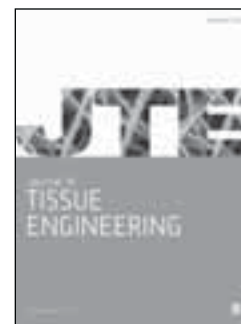

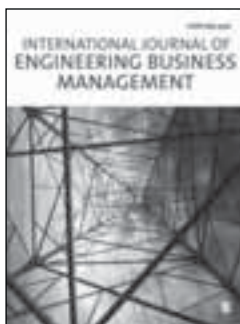

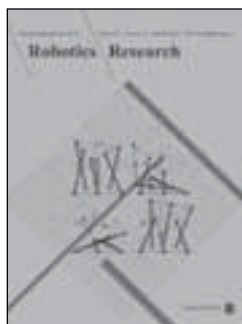

The International Journal of Ocean and Climate Systems

Editor-in-Chief: **M C Deo** Indian Institute of Technology Bombay, India

1759-3131
<http://ocs.sagepub.com/>

The International Journal of Ocean and Climate Systems is a peer-reviewed and open access Journal whose aim is to provide visibility to research in ocean science and technology with a systems approach focus in general. Analytical, empirical, numerical and data driven methods employed to understand ocean processes, develop ocean facilities, and solve problems of technological nature related to oceans are welcome.

International Journal of Advanced Robotic Systems

1729-8814
<http://arx.sagepub.com/>

International Journal of Advanced Robotic Systems is a JCR ranked, peer-reviewed open access journal covering the full spectrum of robotics research. The journal is addressed to both practicing professionals and researchers in the field of robotics and its specialty areas. IJARS features fourteen topic areas each headed by a Topic Editor-in-Chief, integrating all aspects of research in robotics under the journal's domain.

Impact Factor: 0.615
Ranking: 19/25 in Robotics
2016 Release of Journal Citation Reports (2015 Web of Science Data)

International Journal of Engineering Business Management

Founding Editor-in-Chief: **Wai Hung Ip** *The Hong Kong Polytechnic University, China*

1847-9790
<http://enb.sagepub.com/>

The **International Journal of Engineering Business Management (IJEBM)** is an international, peer-reviewed, open access scientific journal that aims to promote an integrated and multidisciplinary approach to engineering, business and management. The journal focuses on issues related to the design, development and implementation of new methodologies and technologies that contribute to strategic and operational improvements of organizations within the contemporary global business environment.

Advances in Mechanical Engineering

ISSN: 1687-8140
<http://ade.sagepub.com>

Advances in Mechanical Engineering is a peer-reviewed, open access journal that publishes original research articles as well as review articles in all areas of mechanical engineering.

Impact Factor: 0.640
Ranking: 104/132 in Engineering, Mechanical | 48/58 in Thermodynamics
2016 Release of Journal Citation Reports (2015 Web of Science Data)

Antiviral Chemistry and Chemotherapy

Editor-in-Chief: **Andrea Brancale** *Cardiff University, UK*

3 issues per year | 0956-3202
<http://avc.sagepub.com/>

Antiviral Chemistry & Chemotherapy is a peer-reviewed online journal that publishes research on all aspects of antiviral compounds, including their chemistry, therapeutic effects, biochemistry, pharmacology, mode of action and virology. The journal also publishes reviews, pointers, short communications and correspondence.

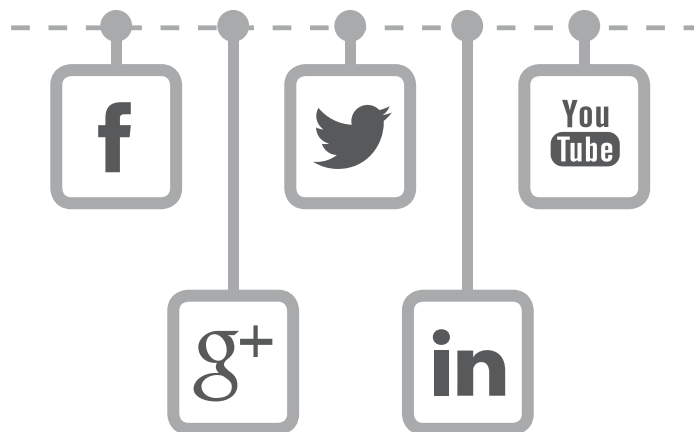

Journal of Tissue Engineering

Editors-in-Chief: **Hae-Won Kim** *Dankook University, Korea*
 and **Jonathan Knowles** *UCL, UK*

2041-7314
<http://tej.sagepub.com/>

Journal of Tissue Engineering aim is to provide a rigorously peer-reviewed and open access forum for the publication of scientific research in the field of tissue engineering and its clinical application.
