8. Effective Team Members	68
Don't blame others for group problems.	69
Encourage the process of goal, role, and task clarification.	72
Encourage the adoption of an open communication structure where all member input and feedback is heard.	73
Promote an appropriate ratio of task and supportive communications.	75
Promote the use of effective problem-solving and decision-making procedures.	75
Encourage the establishment of norms that support productivity, innovation, and freedom of expression.	78
Go along with norms that promote group effectiveness and productivity.	79
Promote group cohesion and cooperation.	80
Interact with others outside the group in ways that promote group integration and cooperation within the larger organizational context.	83
Support the leader's efforts to facilitate group goal achievement.	85
EFFECTIVE MEMBER CHECKLIST	85

9. Effective Team Leadership	91
Don't take on every leadership assignment you are offered.	93
Adjust your leadership style to meet the developmental needs of the group at a particular point in time.	94
Leadership at Stage 1: Be a directive and confident leader.	95
Leadership at Stage 2: When members begin to demand more participation in running the group, slowly begin to empower them to have it.	98
Leadership at Stage 3: Involve members in the leadership of the group.	102
Leadership at Stage 4: Participate as an expert member of your team.	103
Regardless of the stage of your group, be an effective group member.	104
EFFECTIVE LEADER CHECKLIST	105
10. Effective Organizational Support for Teams	111
Plant groups in a favorable organizational climate.	111
Give groups what they need to do their best.	115
Pick members based on their ability to do the task and their ability to contribute to group success.	117
Educate people for group participation competence.	117
Avoid unsubstantiated team development and consultation strategies.	119
Avoid helping groups too much.	120
Make sure each group has enough autonomy to do its work but remains connected with the rest of the organization.	121
Conduct organizational support reviews regularly.	121
THE ORGANIZATIONAL SUPPORT CHECKLIST	123
