DETAILED CONTENTS

Preface and Acknowledgments **ix**

About the Authors **xiii**

1. Plugged-In Research **1**
Problems With Studying Documents 9
An Approach to Document Analysis 12

2. Ethnographic Content Analysis **23**
Ethnography in Context 24
An Overview of Content Analysis 24
Quantitative Content Analysis 24
Ethnographic Content Analysis 26
Studying Crises 28
A Theoretical Focus 28
Sampling and Data Collection 31
Data Analysis 34

3. Process of Qualitative Document Analysis **39**
The Problem and the Unit of Analysis 39
Constructing a Protocol 44
Altheide Research Team Protocol for Studying News Reports About Fear 48
Themes and Frames 50
Theoretical Sampling 55
Stratified Random Sampling 60
Collecting the Data 62
Protocol for Tracking Discourse, Fear, Crime, and Violence 65
Data Analysis 68

4. Newspapers, Magazines, and Electronic Documents **75**
Studying News Magazines 76
Studying Newspapers 79
Exploring Electronic Documents 83
The Double Loop of Analysis 84
Print Media Photos 87

5. Electronic Reality I **91**
TV Materials 92
Downloading and Storing Files 95
Analysis of TV Reports 96
Project for the New American Century Protocol Sheet 100

6. Electronic Reality II **103**
Internet Video Games 104
Social Media and Dealing With the Problem of Riots 105
How It Can Be Studied 107
Sampling and Data Collection 108
Protocol 110
Online Newspaper Websites 112
Other Websites and Data Materials 112
Data Storage 113

7. Tracking Discourse **115**
Dynamic Study of Discourse 115
Discourse of Fear 116
Social Media and Discourse 122

8. Field Notes and Other Data **125**
Accounting for Substance 126
Accounting for Ourselves 129

Appendix **133**
Selected Studies That Use Qualitative Media Analysis 133
Selected PhD Dissertations and MA Theses That Use Qualitative Media Analysis 135
Selected Studies of News Organizations 136

References **139**

Index **147**
